

HBMS Communication and Scan Card Information

Parent Connect:

Parent Connect (PC) is a way to view your student's information via a web browser. Available student information includes: emergency contacts, clinic visit documentation, discipline records, attendance information as well as grades and upcoming major assignments.

If you are currently signed up for PC, you are able to view information from the previous year. Current year information will be online approximately three (3) weeks after school begins. If you signed up for PC last year at Haynes Bridge, you will be able to use the same password for the current school year. *If you are new to HBMS, you can sign up for PC on Information Day.* Or, you can visit **www.haynesbridge.com**, select the "Parent Connect" menu item, and follow the registration instructions. Then, you may come to the office with a **picture ID** any time **after Labor Day** to claim your password and logon ID.

If you are currently signed up for PC at HBMS and will have a new student at Haynes Bridge this year, do not reregister at the PC site for your new student. Please e-mail the school at **haynesbridge@fulton.k12.ga.us**, identify yourself and the child who is currently enrolled in PC, and request that an additional child be linked to you. Please include the "new" student's name and grade level.

Join the Eagle Express

Don't wait for your child to deliver the news; get it first-hand. Sign up and begin receiving updates about upcoming activities and events as well as the weekly school *Eagle Edition* newsletter and quarterly PTA *HBMS Eagle Eye* newsletter via e-mail. It's free and easy, so don't delay—sign up today! Go to **www.hbmspta.com**, and look for the "Join the Eagle Express" tab on the homepage.

Scan Cards

Everyone visits the grocery store. With a couple easy steps, you can ensure that a percentage of your total purchase is donated to HBMS! On Information Day, be sure to pick up a Publix Scan Card. Have this scanned every time you check out at Publix. Kroger requires that you scan the "HBMS bar code," below, against your KrogerPlus card. Once you have done this, you are set for the year—every time you use your KrogerPlus card, HBMS will receive credit. Please take this letter into Kroger, and have the code scanned any time **after August 1st**. *Even if you had your card scanned last year, it needs to be re-linked this year.* These funds are used for purchasing materials and supplies for our classrooms such as rolling wireless laptops, white boards and books for the HBMS Media Center. Thanks for your help!

KrogerPlus **BARCODE**
